1. Approximately 1,500 homes in Varna have been recently requisitioned for Soviet use. The hotels are filled with Soviet officers and Czech mechanics in civilian clothes. Only a few third-rate hotels are available for Bulgarian use.
2. Similar requisitions have been made in Plovdiv.
3. A theater and a tobacco warehouse in Haskovo have been requisitioned and renovated for use by an unnamed military unit. A survey of private homes has been made at Haskovo and Plovdiv for officers, but it is not known whether Soviet or Bulgarian officers will use such quarters.
